

Smart, Tough and Accurate Wireless Refrigeration Scale

WRS110

WRS220

Features

- WRS110 Capacity 110 pounds (50 Kg) Raw Metallic finish
- WRS220 Capacity 220 pounds (100 Kg) Color finish
- Requires compatible mobile device and free iOS® or Android™ App to display readings
- High accuracy, resolution and repeatability
- Wireless range: 35 ft (10m)
- Programmable alarm
- Selectable units: English or Metric
- Large size scale platform
- Lightweight, compact and durable frame
- Overload protection: Min 150% max load
- No-slip platform surface
- 1-Year limited warranty

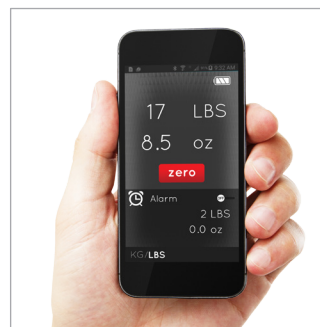

App Compatibility

- iOS® Devices: iOS® 8.0+ newer, iPhone™ 4S and newer
- Android™ Devices: Android™ v4.3 and newer.

CE FC IC

Applications

Measuring refrigerant weights in english or metric scales
 Charging HVAC systems
 Charging refrigeration systems, large and small

Patent Pending

Includes

- WRS110 Scale
- Free App and Manual available for download - QR codes on bottom of scale
- Battery (9V)
- Carrying case (WRS220 only)

Specifications

Model #	WRS110	WRS220
Capacity (Load cell)	110Lbs.	220Lbs.
Accuracy	68° to 122°F ±0.25% F.S. ±1 dgt	68° to 122°F ±0.2% F.S. ±1 dgt
	32° to 68°F / 122° to 158°F ±0.6% F.S. ±1 dgt	32° to 68°F / 122° to 158°F ±0.4% F.S. ±1 dgt
Resolution	0.1oz (3g.)	0.2oz (5g.)
App	REQUIRES compatible mobile device and free iOS® or Android™ App	REQUIRES compatible mobile device and free iOS® or Android™ App
